

## Accommodation for UK Nationals at Cultra, Holywood

Air BnB have a number of good listings, one being the luxury beach apartment which is literally right on the beach and a 10 minute along the shore to the club, the other way along the shore is slipway cottage, always popular and across the road from the Dirty Duck alehouse good for a swift one before bed.

There are some new places listed which are great locations and close to the club. Please feel free to ring me to discuss which is best.

Below are more listings;
